Serving Orange County

Since 1957

Country Village Preschool and Kindergarten has two locations in Orange County. Our warm and nurturing schools have inviting classrooms and age appropriate programs.

Admissions

Children between the ages of 1 to 6 are eligible for admission. Country Village admits children on a non-discriminatory basis.

Science Program & Barnyard

The science room is designed with many hands-on active learning opportunities where the children can explore, experiment and discover. Each class visits the science room and can interact with our barnyard animals.

Summer Day Camp

During the summer children have many opportunities to explore their imaginations through drama, music, art, animal studies and on site field trips. They will paint, explore, cook, pretend and celebrate with friends. Half and Full day care is open the entire summer.
