Upcoming Events

- 1/8 Welcome Back to School
1/15 **Closed** for Martin Luther King Jr. Day

Reminder & Weather Change

Please be sure to dress your children in weather appropriate clothing as our cooler months are fast approaching. Please be sure to update your children's extra clothing items. (jacket, long sleeve shirts, pants, etc.) Please make sure you are labeling all belongings – including water bottles and jackets as these can be easily misplaced and/or go home with another family.

Happy New Year 2024!

Hope this year brings many fun and happy memories! Love CVP staff

Fostering Independence

Here at Country Village Preschool we try very hard to foster a sense of independence in children. The ability to help oneself is an important kindergarten readiness skill as well as an important life skill. Please encourage children to walk to and from class and the car. Have them carry their own buckets/lunch boxes and encourage them to put on their own shoes. Independence leads to an increase in maturity as well as confidence!

Drop off /Pick up

Just a reminder we open at 8 am. Please give the teachers time to finish their preparations for the day by waiting until 8 am to drop your child off. Also, we Close at 5pm. \$3 per minute after 5pm will be charged and is payable in cash to the staff on duty for staying late.

Toys and Stuffed Animals

Please leave toys and stuffed at home! It is very hard for us to keep track of all the toys that children bring to school. Children get very upset if it gets lost or broken. We have lots of toys to share here at school.
Thank you for your help!
