Rancho Santa Margarita

September 2017

Dear Families,

Welcome back!! We would like to welcome all of our wonderful families to the beginning of a brand new school year. We have a very exciting year ahead of us, and in order to help our families stay informed, each month a newsletter will be given to keep everyone updated on upcoming school events. We will all begin our first week of school by getting acquainted with our new classrooms, teachers, friends and environments. If you have any questions or concerns, please feel free to contact the office to speak with us. Our dedicated teachers and administrators are here to help you have a positive experience.
