our philosophy

The philosophic foundation of Country Village provides an exciting learning environment that fosters positive self-esteem and focuses on the development of the whole child socially, emotionally, cognitively and physically. The curriculum has been designed with an age appropriate learning environment that recognizes individual needs of children and their natural curiosity for learning.

our mission

The mission statement of Country Village is to **serve children and their families** through a **high quality, developmentally appropriate program** that has **National Accreditation**.

Country Village Preschool and Kindergarten

has two locations in Orange County. Our warm and nurturing schools have inviting classrooms and age appropriate programs.

admissions

Foothill Ranch:

Children between the ages of 6 months to 6 years are eligible for admission.

Rancho Santa Margarita:

Children between the ages of 2 years and 6 years are eligible for admission.

Country Village admits children on a non-discriminatory basis.

science program

The science room is designed with many hands-on active learning opportunities where the children can explore, experiment and discover.

staff

All staff members are selected on the basis of education, experience, and maturity. A warm and caring attitude along with sensitivity to children's individual needs is a prerequisite. The staff is required to attend monthly staff meetings, professional seminars, CAEYC train-ing workshops and to uphold a high standard of professionalism. Staff members meet all the requirements of the state department of licensing.

communication

Communication between parents and the school regarding a child's progress is very important to the staff at Country Village. We welcome all comments, suggestions, and staff communications with parents:
