UPCOMING EVENT

Spring Break April 14-18

Registration

We are continuing to register new students. Thank you to all our parents for all of the wonderful word-of-mouth advertisement. We have registered many friends of current students for next year and your loyalty and wonderful comments about our school are very much appreciated!

Spring Weather Is Here

The weather is changing and getting much warmer. Please remember to put sunscreen on your children in the morning before they come to school. Also remember that water, mud and sand play are in season now, so extra clothing and shoes in the bucket each day are a must! Dress children in layers so that teachers can help them adjust what they are wearing as the weather changes throughout the day. **Please label all jackets!**

Parent/Teacher Conference

May 23rd is Parent/Teacher conference day! Sign ups will be coming soon. School will be closed that day for all half and extended day students. **Daycare is available for full time children from 12:30-5:00. Please have your child eat lunch prior to coming to school.**
