Sick Children

We are now entering severe cold and flu season. Please monitor your child's health in order to minimize the spread of these diseases. Keep your child home if they have a runny nose that indicates infection (discolored discharge), if they have/had a fever, diarrhea, or vomiting in the last 24 hours, or if you feel they will not be able to function through the day. Thank you!

Late Pick Up

Just a reminder we do close at 5pm. There is a \$3 per minute after 5pm late charge which is to be paid to the staff on duty in cash.

Sign in /Out sheets

Adults can **ONLY** sign your child in and out. The Sign in and out sheets are a legal document. Please do not allow your children to sign in or out or draw on these sheets. Thank you!

Labels

Please make sure all jackets and water bottles are labeled with First last name and date.

ANIMAL DONATIONS

We currently have an Amazon wish list of items needed to help support our animals living conditions and create a safe environment for the children to be able to help us take care of them. Some of the items include food, treats, bedding, and toys. Any help is greatly appreciated.

We are **THANKFUL** for all of you!
